## Model 1600 Bandsaw

**\$2,995.00**

F.O.B. Verona, WI

MFG. COMPANY, INC.

### MITRE COMPARISON

Ellis band saws are available in eight different models using blades from 1/2" to 1 1/4". Our most popular band saws are Model 1600 and Model 1800. The 1600 band saw is a good saw for all general sawing. This band saw can be easily moved to a different job site. If you are looking for a stationary band saw the 1800 band saw is a good option.

#### Standard features on all Ellis bands saws include:

- Band saw head moves left or right for angle cutting
- One-step conversion from horizontal saw to vertical saw on portable models
- Built-in protractor for fast and accurate selection of angles
- Stock remains in one position for all cuts
- Blade cleaning

## Model 1800 Bandsaw

**\$3,495.00**

F.O.B. Verona, WI

#### Band saw head moves left or right for angle cutting

All Ellis band saws are manufactured from heavy steel, welded and machined for accuracy and durability.
